

Be part of the nation's most exciting cranial, spine and peripheral nerve meeting, located at the beautiful Westin Snowmass in Snowmass Village, Colorado.

Objectives

Intended audience: neurosurgeons, orthopaedic surgeons, neurosurgical residents, fellows, nurse practitioners & physician assistants

Methods of instruction: didactic lectures, case presentations/discussions, abstract presentations, panel discussions and formal discussion periods

Upon completion of this educational activity, participants should be able to:

- Discuss emerging technologies as well as treatment paradigms for various spinal diseases and disorders.
- Explain and review new techniques and controversies as demonstrated in various case studies, and apply that information to future clinical decision-making processes.
- Describe peripheral nerve disorders, entrapment, injuries, tumors, and pain and how to avoid complications preoperatively, intraoperatively and postoperatively.
- Identify various complications in spine surgery, how to avoid or treat spine complications and how best to communicate about them.
- Identify updates on current topics in general neurosurgery including opiates in back pain and traumatic brain injury/concussion.
- Identify the contemporary management, surgical techniques and post-operative treatment of intracranial lesions.
- Discuss and review the use of neuromodulation for pain and movement disorders, patient evaluation and update on surgical techniques.
- Review and discuss the best medical practices for arteriovenous malformation and traumatic vascular injuries.
- Apply processes involved in clinical decision making for cases that demonstrate controversies, the application of new and emerging technology, and complication management.
- At the completion of this course, the Advanced Practice Provider understand basic and advanced neurosurgical principals as well as gain an understanding of current best neurosurgical practices through case reviews and recent clinical study updates.

Accreditation Statement & Designation Statements: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the AANS and the Mayfield Clinic. The AANS is accredited by the ACCME to provide continuing medical education for physicians.

The AANS designates this live activity for a maximum of 25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement: Before the program, anyone in control of the educational content of this activity will disclose the existence of any financial interest and/or the relationship they or their significant other have with the manufacturer(s) of any commercial product(s) to be discussed during their presentation. Disclosures will be included in the final program.

Sunday, February 26, 2017

7:00 - 9:30am **Emerging Treatments**

Moderator: William Tobler, MD

Dural Adhesions: From Fat Grafts, to Biologics, Are We Overlooking an Important Treatment?
William Tobler, MD

Minimally Invasive Treatments for Lumbar Degenerative Disease
Mohamad Bydon, MD

Human Stem Cell Transplantation for Spinal Cord Injury
Richard Fessler, MD, PhD

Do Motion Retention Devices Retain Motion?
Edmund Frank, MD

Are Posterior Column Osteotomies Really Necessary for Sagittal Balance in the Management of Primary Adult Spinal Deformity?
Neel Anand, MD

Human Cord Blood Stem Cell Based Intervertebral Disc Regeneration
Mick Perez-Cruet, MD, MS

Minimally Invasive Sagittal Balance Restoration
Leon Abram, MD

4:00 - 6:30pm **Controversies in Spine Surgery**

Moderator: H. Gordon Deen, MD

Lumbar Fusion: Indications & Controversies
H. Gordon Deen, MD

Bad Ideas in Spine Surgery
R. Douglas Orr, MD

Management of Cervical Kyphotic Deformity: Surgical Planning and Technical Notes
Sergey Neckrysh, MD

Surgical Management of Intramedullary Spinal Cord Tumors
Nikolay Kononov, MD, PhD

Eric Potts, MD

Is The Expert Witness Necessarily an Expert?
Bharat Guthikonda, MD

ICD10 CM & PCS and Physician Performance Profiles
Clarence Watridge, MD

Lodging and Location

Snowmass Village is a beautiful area, perfect for wintertime fun. Nestled in the Colorado Rockies, Snowmass provides a serene backdrop for this educational program.

The Westin Snowmass is a full-service, ski-in, ski-out hotel featuring fully renovated guest rooms including the Heavenly Bed & Bath®, along with a luxurious renovated lobby, lounge and public spaces, two new restaurants, a new Westin Spa, slope-side pool, hot tub & sun deck, as Westin WORKOUT™ fitness center, and private ski valet.

Wildwood Snowmass offers a completely different experience with a retro-chic design and energetic vibe. Guests will enjoy fully renovated rooms where style meets function, featuring hip art, functional space, radical design and colorful decor.

When you register for the conference, remember to make lodging reservations as well. The Westin Snowmass and Wildwood Snowmass hotels are holding a limited number of rooms at a discounted price until **January 25, 2017**.

To make reservations, call (800) 525-9402. Reservations will be accepted based on availability.

Registration deadline: February 10, 2017
